Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Catholic Charities and its subsidiaries Hibernian House and CC Housing, Inc. (collectively “Catholic Charities”, a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Catholic Charities and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities’ ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements on pages 31-33 are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards on page 34, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is also presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial

statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2022, on our consideration of Catholic Charities' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities' internal control over financial reporting and compliance.

Catholic Charities
Notes to the Consolidated Financial Statements
June 30, 2022 and 2021

1) Organization and Nature of Activities

Catholic Charities was incorporated in 1946 and is a faith-based non-profit tax-exempt organization. Catholic Charities is a member of Catholic Charities, USA, the largest nonprofit human services network in the United States. Catholic Charities provides help and creates hope by promoting self-sufficiency, strengthening families, fighting poverty, and building community.

During fiscal year 2002, Catholic Charities assumed control of Hibernian House of New Mexico, Inc. (Hibernian House). The project is operated under Section 202 of the National Housing Act and regulated by the U.S. Department of Housing and Urban Development (HUD) with respect to rental charges and operating methods.

During fiscal year 2016, Catholic Charities formed CC Housing, Inc. (CC Housing) to provide affordable housing, housing counseling, economic development, and opportunities for youth, families and the elderly.

The consolidated financial statements include the accounts of Catholic Charities, Hibernian House and CC Housing, collectively referred to as “Catholic Charities.” Intercompany accounts and transactions are eliminated in consolidation.

Catholic Charities operates the following social service programs:

Self-Sufficiency and Housing Assistance

- ◆ *Proyecto La Luz*: Supportive transitional housing helps homeless women and children in Bernalillo County gain secure housing, while assisting parents with employment and other services.
- ◆ *Partners in Housing*: A permanent housing for chronically homeless persons with a disabling condition. The purpose of this supportive housing program is to enable this special-needs population to live as independently as possible in a permanent setting.
- ◆ *Homeless Prevention and Rapid Re-Housing*: The program provides assistance to individuals and families meeting specific requirements.
- ◆ *Rental Assistance Program (RAP)*: The program provides up to eleven months of rental assistance, case management, and life skills education to individuals meeting specific requirements.

Educational Opportunity

- ◆ *Adult Basic Education*: Classes include English as a second language, citizenship classes, adult basic education, Spanish GED, computer classes, and workplace literacy, including collaboration with Albuquerque Public Schools through Title I projects, and the UNM HEP project.

1) Organization and Nature of Activities – continued

Children’s Learning Center

- ◆ *Children’s Learning Center:* The Children’s Learning Center is a five-star licensed and accredited bilingual preschool program providing Early Head Start and Childcare services for children ages 6 weeks to 12 years. Early Head Start and Childcare programs are provided by trained and certified staff.

Immigration and Citizenship Legal Assistance

- ◆ *Immigration Services:* The services focus on family unification and immigrant victims of domestic violence. Free legal assistance is provided for immigrants who are victims of domestic violence. Citizenship classes, case management, information, and referral are part of the program.

Refugee Resettlement and Support

- ◆ *Refugee Support:* The Center for Refugee Support provides youth mentoring, English practice, and general cultural orientation to refugee families who have fled persecution around the world and found a home in Albuquerque. Our programs connect volunteers with refugee families for support, friendship, and encouragement toward self-sufficiency.
- ◆ *Refugee Youth Program:* This after school and summer program for mid-school and high school refugee youth provides tutoring, English language classes, citizenship classes, and the support of caring staff and volunteers.

Community Involvement

- ◆ *Senior Transportation Services:* The program provides seniors with companionship and enables them to lead productive, independent lives by providing weekly transportation to medical appointments, government offices, banks, pharmacies, and grocery stores. Volunteer drivers are literally the “driving force” behind this program. All have clean driving records and provide transportation free of charge.
- ◆ *Parish and Faith Community Outreach:* Staff and volunteers work with Catholic and non-Catholic institutions to fortify their commitment to social justice by strengthening and developing reciprocal relationships through education, relationship building, and unique projects designed to enrich both Catholic Charities and the faith communities.

Hibernian House

- ◆ *Hibernian House:* A 20-unit supportive housing development for low-income seniors in Albuquerque.

Affordable Housing

- ◆ *Generations at West Mesa:* Generations at West Mesa is an affordable housing development for grandparents raising grandchildren. Generations at West Mesa consist of a 54-unit mixed-income, senior rental development. Of the 54 units, 45 are restricted to households earning 30%, 50%, and 60% of area median income, along with 9 unrestricted market rate units. The units will be a mix of 1, 2, and 3-bedroom units that will serve the needs of seniors at a variety of income levels over the age of 62, with a particular emphasis on seniors over the age of 75 and grandparents raising grandchildren. Catholic Charities provides other supportive services onsite.
- ◆ *Sunray Lobo Canyon:* Sunray Lobo Canyon is an affordable housing rehabilitation of two adjacent properties with 128-units expected to serve households with children in Grants, New Mexico. This rehabilitation project was completed in March 2021.
- ◆ *Encantada:* Encantada is an affordable housing development in Los Lunas, New Mexico consisting of a 48-unit rental development. This affordable housing project was completed in 2022 and is in the process of being converted to permanent financing with the U.S. Department of Agriculture (USDA).

2) **Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying consolidated financial statements are presented in accordance with the accounting and reporting standards required by Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) ASC 958, *Not for Profit Entities*. FASB ASC 958 requires Catholic Charities to report information regarding its financial position and activities according to the following classes of net assets:

- ◆ *Net assets without donor restrictions* represent the portion of Catholic Charities' net assets that are not restricted by donor-imposed stipulations and are available for operations at management's discretion. All contributions made to Catholic Charities are considered to be received without donor restrictions unless specifically restricted by the donor.
- ◆ *Net assets with donor restrictions* represents resources restricted by donors as to purpose or by the passage of time and resources whose use by Catholic Charities is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of Catholic Charities. See Note 16 for more information on Catholic Charities' net assets with donor restrictions.

2) Summary of Significant Accounting Policies – continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the consolidated statements of cash flows, Catholic Charities considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Catholic Charities maintains its cash depository accounts with various financial institutions. Balances in the accounts may, at times, exceed Federal or other insurance limits. Catholic Charities has not experienced, and believes it is not exposed to, significant credit risk from these deposits.

Accounts Receivable

Accounts receivable are recorded at net realizable value and are evaluated for collectability by using historical experience applied to an aging of the accounts. Generally, collateral is not required on receivables. Contractual terms determine when receivables become delinquent. Catholic Charities utilizes the allowance method to provide a valuation for estimated uncollectible accounts receivable.

Property and Equipment

All acquisitions of property and equipment and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets in excess of \$1,000 are capitalized. Property and equipment are carried at cost or, if donated, at the estimated fair value at the date of donation. Depreciation is computed using the straight-line method over useful lives ranging from three to thirty-nine years.

Impairment of Long-Lived Assets

Catholic Charities reviews its long-lived assets and certain identifiable intangibles for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

Revenue Recognition

Revenues from program fees are recognized when Catholic Charities' performance obligation is met. The performance obligation consists of providing services for the senior support, homeless, and immigration programs and these services are recorded at standard rates, less a sliding fee scale adjustment based on the clients' ability to pay.

Catholic Charities
Notes to the Consolidated Financial Statements
June 30, 2022 and 2021

2) Summary of Significant Accounting Policies – continued

Contribution revenue is recognized when cash, securities or other assets or an unconditional promise to give is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions upon which they depend have been met. Contributions received are recorded as net assets with or without donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (i.e., when the time or purpose of the restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as “net assets released from restrictions.”

Catholic Charities reports gifts of land, buildings, and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire assets are reported as support with donor restrictions.

Revenue from contracts and grants is recognized when funds are spent in accordance with contractual provisions. Contracts and grants receivable represent amounts due for expenditures incurred prior to year-end, but not yet reimbursed.

Donated Services and Materials

Significant contributions of services are recorded if the services create or enhance non-financial assets or require specialized skills. Recognized contributed services are recorded at the fair value of the services on the date of donation. Significant donations of materials are recorded at their fair value on the date of donation. For the years ended June 30, 2022 and 2021, Catholic Charities reported in-kind donated services, supplies, and materials of \$159,518 and \$206,923, respectively, that met the revenue recognition criteria above.

Promises to Give

Promises to give are valued and initially recorded based on the estimated future cash flows based on historical experience. Promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount on those amounts is computed using risk-free interest rates for the assessed credit risk of the donation, applicable to the years in which the promises are received. Any subsequent adjustments to the valuation of promises to give are done through a provision for doubtful accounts.

Catholic Charities
Notes to the Consolidated Financial Statements
June 30, 2022 and 2021

2) Summary of Significant Accounting Policies – continued

Accrued Paid Time Off

Qualified employees are entitled to accumulate paid time off (PTO) according to a graduated leave schedule depending on length of service and the employee's hire date. The maximum amount of PTO hours that employees may carry over to subsequent years is equal to the amount of PTO hours that the employee will earn during the employment year. Upon termination, up to 50% of each employee's annual accrued balance or 50% of their accrued PTO hours at the time of termination, whichever is less, will be paid.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and in the consolidated statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include depreciation and amortization, which are allocated on the basis of the actual usage of equipment and the square footage of buildings. All other expenses are allocated directly to functions at the time expenses are incurred through the use of cost centers.

Income Taxes

Catholic Charities, CC Housing, and Hibernian House are non-profit corporations that are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. As such, their normal activities do not result in any income tax liability. Catholic Charities, CC Housing, and Hibernian House are each classified as other than a private foundation and file separate entity tax returns.

Catholic Charities applies the provisions of FASB ASC 740, *Income Taxes*. FASB ASC 740 provides detailed guidance for the financial statement recognition, measurement, and disclosure of uncertain tax positions in an entity's financial statements. Uncertain income tax positions must meet a more-likely-than-not recognition threshold to be recognized. Catholic Charities' policy is to classify income tax penalties and interest according to their natural classification rather than as income tax expense.

As of June 30, 2022 and 2021, management does not believe Catholic Charities has any uncertain tax positions that would require financial statement recognition, measurement, or disclosure under FASB ASC 740. Due to statutes of limitation, Catholic Charities, Hibernian House, and CC Housing's tax returns are no longer subject to examinations by tax authorities for fiscal years before 2019.

Subsequent Events

Generally accepted accounting principles state that the financial statements should include the effects of all subsequent events that provide additional information about conditions in existence as of the balance sheet date. Catholic Charities has evaluated subsequent events for possible adjustment or disclosure through November 16, 2022, the date the consolidated financial statements were available to be issued.

3) Liquidity and Availability

The following table reflects Catholic Charities' financial assets as of June 30, 2022 and 2021, reduced by amounts that are not available to meet general expenditures within one year of the consolidated statements of financial position date because of contractual or donor-imposed restrictions. Amounts not available to meet general expenditures within one year include unconditional promises to give and notes receivable expected to be collected more than one year after the consolidated statement of financial position date.

Catholic Charities manages its cash flow and liquidity on an on-going basis to ensure that sufficient funds are available to meet operational needs as well as impact grant obligations. To help manage unanticipated liquidity needs, Catholic Charities has access to a \$750,000 line of credit with a local bank. At June 30, 2022 and 2021, Catholic Charities had \$750,000 in available credit on the line. More information on the line of credit is available in Note 9.

4) Replacement Reserves

Under the Regulatory Agreement with the U.S. Department of Housing and Urban Development (HUD), the Hibernian House is required to set aside amounts for the replacement of property and other project expenditures approved by HUD. HUD restricted reserves of \$82,925 and \$204,376 at June 30, 2022 and 2021, respectively, are held in separate accounts and generally are not available for operating purposes. Use of the replacement reserve account is contingent upon HUD's prior written approval. For the year ended June 30, 2022, there were HUD-approved withdrawals totaling \$125,507. There were no withdrawals from the replacement reserve account for the fiscal year ending June 30, 2021.

5) Agency Trust Deposits

Catholic Charities utilizes the 501(c) Agencies Trust Unemployment program to help pay state unemployment claims. Under the program, Catholic Charities established a trust that is based on Catholic Charities' unemployment claims experience and gross annual payroll. The Agencies Trust Unemployment program then reimburses the state from the trust for the claim benefits paid to former employees. The amount on deposit to pay for future unemployment claims as of June 30, 2022 and 2021 is \$37,304.

6) Restricted Cash and Cash Equivalents

At June 30, 2022 and 2021, Catholic Charities reported restricted cash totaling \$544,718 and \$109,393, respectively. This cash represents unspent forwardly funded grants and contributions and funds expected to be passed through to other entities in subsequent periods.

7) Unconditional Promises to Give

Unconditional promises to give are as follows at June 30:

	<u>2022</u>	<u>2021</u>

Generations at West Mesa

During fiscal year 2016, the City of Albuquerque (the “City”) and Catholic Charities entered into a development agreement for the Generation at West Mesa affordable housing development. During fiscal year 2020, the City and Catholic Charities entered into a supplemental agreement whereby the City entered into a mortgage and security agreement with Catholic Charities at a total amount of \$2,405,000, representing Workforce Housing Trust Funds (WHTF) of \$2 million and land valued at \$405,000. An additional \$400,000 in WHTF were provided by the City in fiscal year 2020 in accordance with the third supplemental agreement.

During fiscal year 2020, the WHTF and the land totaling \$2,405,000 were passed through to the contracted developer for the Generations at West Mesa project. The additional \$400,000 in WHTF received by Catholic Charities were passed through to the contracted developer during fiscal year 2021. The developer recorded a subordinate loan to Catholic Charities representing the value of these funds received by the developer, which is reported as a note receivable by Catholic Charities.

This note receivable will become due and payable upon either (1) dissolution or liquidation of the developer, or (2) default in any warranty, obligation, or other term, condition of the development agreement. See additional information regarding the mortgage loan with the City at Note 13.

Sunray Lobo Canyon

During fiscal year 2020, CC Housing entered into an agreement with a developer for the Sunray Lobo Canyon affordable housing development. As part of this project, New Mexico Mortgage Finance Authority (NM MFA) approved an award of National Housing Trust Fund (NHTF) monies, which is received from HUD through its NHTF program, of \$400,000 to CC Housing to be used for the rehabilitation of two adjacent USDA rural development projects. These funds were passed through to the contracted developer of this rehabilitation project after issuance of a promissory note.

The loan principal balance and all accrued and unpaid interest shall be forgiven at the maturity date, which is defined as the date of the final NHTF program completion report, provided that no event of default by the developer has occurred. See additional information regarding the NHTF loan with NM MFA at Note 13.

Real Estate Contract

In August 2019, the Felician Sisters of North America, Inc. (the “Felician Sisters”) donated land and buildings located in Rio Rancho, New Mexico, to CC Housing subject to a restricted use agreement. Under the restricted use agreement, if any portion of the property were sold by CC Housing, a portion of the net proceeds from the sale would be owed to the Felician Sisters.

8) Notes Receivable – continued

In June 2022, CC Housing entered into a real estate contract (REC) with an external party to purchase the building from this donated property for a total of \$3,750,000. Of this amount, \$750,000 was due at signing of the REC and the remaining \$3 million is due in monthly installments of \$18,979, including interest at 4.5%, through August 2042. CC Housing has retained the donated land. Future payments to be received under the REC as of June 30, 2022, are as follows:

	Principal	Interest	Total
2023	\$ 86,637	\$ 122,138	\$ 208,775
2024	98,671	129,083	227,754
2025	103,204	124,550	227,754
2026	107,945	119,809	227,754
2027	112,904	114,850	227,754

2043	18,909	70	18,979
	\$ 3,000,000	\$ 1,555,077	\$ 4,555,077

Under the amended restricted use agreement with the Felician Sisters, CC Housing agreed to distribute 40% of the net proceeds from the sale to the Felician Sisters and use an additional 10% to support future supportive services related to the affordable housing project planned for the property (see Note 16 for restricted net assets). The remaining 50% could be used at CC Housing’s discretion, which was distributed to Catholic Charities. Any amounts due to/from CC Housing and Catholic Charities has been eliminated in the consolidated financial statements. See Note 13 for more information on the amounts payable to the Felician Sisters for their distribution of the net proceeds from the sale of this building.

9) **Line of Credit**

Catholic Charities has a \$750,000 line of credit agreement with a local financial institution that expires on October 31, 2022. The line carries interest at the bank’s prime lending rate (6.25% plus 0.5% at June 30, 2022 and 3.25% plus 0.5% at June 30, 2021) and is secured by deposit accounts, inventory, accounts receivable, and equipment. At June 30, 2022 and 2021, Catholic Charities had \$0 in outstanding borrowings on the line.

11) Refundable Advance – Paycheck Protection Program (PPP) Loan

During fiscal year 2021, Catholic Charities was granted a PPP loan of \$678,200. This PPP loan was uncollateralized and fully guaranteed by the Federal government, and Catholic Charities was eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. Catholic Charities believes it “substantially met” the forgiveness criteria as specified by the SBA as of June 30, 2021 and recorded the forgiveness of the PPP loan as PPP grant revenue for the year ended June 30, 2021. The PPP loan was forgiven by the SBA in September 2021.

12) Capital Advance

Hibernian House received a capital advance from the U.S. Department of Housing and Urban Development in fiscal year 2003 for the construction of a building for housing to low-income elderly persons. The advance bears no interest and need not be repaid so long as Hibernian House continues to make the housing available for the elderly for at least 40 years from the date of the capital advance (fiscal year 2043). The advance is classified in the consolidated statements of financial position as a noncurrent liability. The advance program requires Hibernian House to escrow an amount equal to 0.5% of the capital advance, which is reported in the consolidated statements of financial position as a noncurrent asset.

Industrial Revenue Bonds

On January 26, 2016, Bernalillo County, New Mexico, issued its Industrial Revenue Bonds, Series 2016 totaling \$3,000,000. A bank purchased the bond and issued a loan in the amount of \$2,500,000 for a capital project for which Catholic Charities is the obligor. The loan was issued under a capital lease agreement structure, payable to the bank as trustee. Principal and interest is due in monthly installments at an initial interest rate of 3.47%, maturing March 2041, net of unamortized issuance costs of \$53,247 and \$55,913 at June 30, 2022 and 2021, respectively. Unamortized issuance costs are amortized to interest expense over the life of the loan. The effective interest rate does not differ significantly from the stated interest rate. The note is secured by the Casa de Corazon building. The bond indenture places limits on the incurrence of additional borrowings and also requires that Catholic Charities satisfy certain measures of financial performance including debt service coverage and hold certain insurance coverage as long as the bonds are outstanding. As of June 30, 2022 and 2021, Catholic Charities was in compliance with all required covenants.

Note Payable to Bank

As of June 30, 2022 and 2021, Catholic Charities has one note payable to a bank. The note is due in monthly installments of \$3,012, with an interest rate of 3.47%, maturing on May 1, 2027. At June 30, 2022 and 2021, Catholic Charities had \$516,414 and \$534,050, respectively, in outstanding borrowings on the note.

Note Payable to the City of Albuquerque

During fiscal years 2019 and 2020, the City and Catholic Charities entered into supplemental agreements to their development agreement related to the Generations at West Mesa affordable housing development.

Notes to the Consolidated Financial Statements
June 30, 2022 and 2021

13) Long-Term Debt – continued

Under these supplemental agreements, the City entered into a mortgage and security agreement with Catholic Charities at a total amount of \$2,805,000, representing Workforce Housing Trust Funds of \$2.4 million and land valued at \$405,000. The mortgage note becomes due and payable upon either (1) dissolution or liquidation of Catholic Charities, or (2) default in any warranty, obligation, or other term, condition of the development agreement. Therefore, there are no established payment terms on this mortgage note.

Note Payable to the New Mexico Mortgage Finance Authority

During fiscal year 2021, CC Housing issued a loan with NM MFA under the National Housing Trust Fund program, a program administered by HUD, totaling \$400,000 for the purpose of rehabilitating two adjacent USDA rural development projects. These funds were subsequently passed through to the developer of this rehabilitation project. Should the project remain in compliance with the NHTF loan agreement for a period of 35 years after completion of the final NHTF program compliance report, the loan will be forgiven. Therefore, there are no established payment terms on this note.

Note Payable to the Felician Sisters

During fiscal year 2022, CC Housing sold a building that was subject to a restricted use agreement with the Felician Sisters, as more fully described in Note 8. Under the amended restricted use agreement, 40% of the net proceeds of the sale were to be distributed to the Felician Sisters. The net proceeds from the sale will be paid to the Felician Sisters over the term of the related REC, which is being paid over 20 years at an interest rate of 4.5%. The total principal amount payable to the Felician Sisters at June 30, 2022 totaled \$1,367,965.

Future principal payments on long-term debt, not including the notes payable to the City and NM MFA, as of June 30, 2022, are as follows:

	Principal	Interest	Total
2023	\$ 134,888	\$ 146,159	\$ 281,047

14) Deferred Revenue

Deferred revenue consists of grants received by Catholic Charities prior to the incurrence of qualifying expenses on the grants. At June 30, 2022 and 2021, deferred revenue amounted to \$588,739 and \$132,717, respectively. Generally, these balances are caused by differences in the timing of cash received from grants and expenses incurred under grants and will be reversed in the remaining grant period.

15) Operating Lease Commitments

Catholic Charities has several non-cancelable operating leases, primarily for equipment and office space that expired at various dates. Rental expense was \$16,763 and \$17,410 for the years ended June 30, 2022 and 2021, respectively.

In June 2014, Catholic Charities entered into a lease for space in Santa Fe with the Archdiocese of Santa Fe. The lease is for a fifty-year period expiring in June 2064. Catholic Charities prepaid the full amount of the rent of \$75,000 and is amortizing the prepaid rent over the life of the lease. At June 30, 2022 and 2021, the remaining prepaid rent under this lease totals \$62,875 and \$64,375, respectively, which is reported as a portion of prepaid expenses in the consolidated statements of financial position.

16) Net Assets With Donor Restrictions

Net assets with donor restrictions consist of the following at June 30:

	<u>2022</u>	<u>2021</u>
Restricted for time:		
Capital campaign	\$ -	\$ 25,301
Pledges receivable	20,700	44,216

16) Net Assets With Donor Restrictions – continued

Net assets with donor restrictions are released from donor restrictions as expenses are incurred to satisfy the restricted purpose, or due to the passage of time, as follows:

	2022	2021
Time restriction accomplished:		
Capital campaign	\$ 25,301	\$ 4,739
Pledges receivable	38,516	8,713
Purpose restriction accomplished:		
Asylee seeker assistance	714	1,313
COVID-19 pandemic relief	895	-
Immigration and citizenship legal assistance	-	24,512
Total net assets released from restrictions	\$ 65,426	\$ 39,277

17) **Commitments and Contingencies**

The grants and contracts administered by Catholic Charities are subject to a closing audit process by federal granting agencies subsequent to the end of a grant period. At this time, no reasonable estimate can be made as to adjustments, if any, in amounts due to or from grantors that may result from the closing process. Actual costs reported in the accompanying consolidated statements of activities, and for prior years since inception of ongoing grants, exceeded billed costs, and management believes no material reimbursements to granting agencies are due.

Catholic Charities receives a significant amount of its funding from federal grants from various agencies. Should Catholic Charities lose program funding, management believes that Catholic Charities would be able to receive similar program funding from other sources.

18) **Pension Plan**

Catholic Charities administers a participant directed non-contributory, defined contribution pension plan (401k plan) for its qualified employees. Catholic Charities contributed 5% of covered compensation to the plan through December 31, 2021. Effective January 1, 2022, matching contributions equal 3% of the employee's compensation. Employees qualify upon attaining the age of 21. Benefits vest 100% after three plan years of employment. Pension plan expense totaled \$75,648 and \$104,215 for the years ended June 30, 2022 and 2021, respectively.

19) Management Fee

Hibernian House pays Monarch Properties, Inc. a management fee equal to 9.77% of residential income collected by Monarch Properties, Inc. Management fees amounted to \$8,813 and \$8,755 for the years ended June 30, 2022 and 2021, respectively, and are reported as a portion of contract services in the consolidated statements of functional expenses.

20) Related Party Transactions

The Board of Directors of Catholic Charities manages its overall affairs through the direction of the Archbishop of the Archdiocese of Santa Fe. The Archdiocese of Santa Fe provides annual funding (stipends), which are received monthly. The funding year runs from July 1 through June 30 of each year. The allocation for the years ended June 30, 2022 and 2021, was \$177,958 and \$199,995, respectively. Additionally, the Archdiocese of Santa Fe contributed additional monies to Catholic Charities as part of its second collections efforts, which totaled \$58,693 and \$32,654 during fiscal years 2022 and 2021, respectively. These second collections contributions are reported as a portion of monetary contributions in the consolidated statements of activities.

During 2014, Catholic Charities entered into a \$75,000 lease with the Archdiocese of Santa Fe for use of space in Santa Fe, New Mexico. See Note 15 for additional information on this lease.

The Board of Directors and certain employees contribute various amounts in general support of Catholic Charities. A certain board member is also an officer of a bank with which Catholic Charities maintains its cash balances. Board of Directors' outstanding promises to give at June 30, 2022 and 2021, are \$19,000 and \$14,537, respectively.

21) Community Foundation Endowment Funds

Catholic Charities is the beneficiary of endowment funds held by the Albuquerque Community Foundation (ACF), known individually as the Wilhelmina Neat Coe/Peace Foundation Fund, Ann C. Lucero and David J. Lucero Endowment Fund, and the Catholic Charities Human Services Fund. ACF makes annual distributions of the investment income earned from these endowment funds to Catholic Charities which are restricted for home care programs for the disabled and elderly. The balance of these endowment funds held by ACF for the benefit of Catholic Charities totaled \$750,553 and \$781,943 as of June 30, 2022 and 2021, respectively.

Catholic Charities
Notes to the Consolidated Financial Statements
June 30, 2022 and 2021

21) Community Foundation Endowment Funds – continued

Catholic Charities is also the beneficiary of an endowment fund known as the Olympia Garcia de Duran/Catholic Social Services Fund held by the Santa Fe Community Foundation (SFCF). The balance of the endowment fund held by SFCF for the benefit of Catholic Charities programs in Santa Fe totaled \$219,787 and \$258,598 as of June 30, 2022 and 2021, respectively.

Catholic Charities is also the beneficiary of endowment funds held by the Catholic Foundation of the Archdiocese of Santa Fe, known individually as the Catholic Charities Fund and the Hibernian House Priest Home Fund. The balance of the endowment funds held by the Catholic Foundation totaled \$89,449 and \$102,074 as of June 30, 2022 and 2021, respectively.

None of the above endowment funds are reflected as assets on the consolidated financial statements of Catholic Charities given the “variance power” granted to each respective foundation. This variance power allows each foundation to modify the donor’s stipulations under certain circumstances.

22) **Recently Issued Accounting Pronouncements**

On February 25, 2016, the FASB issued ASU 2016-02 *Leases*, which significantly changes the accounting for leases in the financial statements of lessees and supersedes FASB ASC Topic 840. With this update, U.S. GAAP now will require lessees under operating leases to recognize a liability in the statement of financial position, a liability to make lease payments (the lease liability), and an asset representing its right to use the underlying asset for the lease term. For leases with a term of 12 months or less, a lessee is permitted to make an accounting election not to recognize lease assets and lease liabilities. If a lessee makes this election, it should recognize lease expense for such leases generally on a straight-line basis over the lease term. Cash flows related to operating leases will continue to be reported within operating activities on the statement of cash flows. The ASU is effective for fiscal years beginning after December 15, 2021 (Catholic Charities’ fiscal year ending June 30, 2023).

As of the date of these financial statements, management has not determined the impact this new accounting pronouncement will have on future reporting periods.

Catholic Charities
Notes to the Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2022

1) Basis of Presentation

The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal grant activity of Catholic Charities and its subsidiaries Hibernian House and CC Housing, Inc. (collectively “Catholic Charities”) under programs of the federal government for the year ended June 30, 2022. Because the Schedule presents only a selected portion of the operations of Catholic Charities, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Catholic Charities.

2) Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

3) Indirect Cost Rate

Catholic Charities has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

4) Loan Information

Hibernian House received a capital advance from the U.S. Department of Housing and Urban Development (HUD) for the construction of a building for housing to low-income elderly persons. Hibernian House is not required to repay the principal or pay interest and the capital advance is forgiven at maturity, as long as the owner provides housing for the designated class of people in accordance with applicable HUD requirements. In accordance with the Uniform Guidance, the full outstanding balance on the capital advance is considered to be federal awards expended and is reported on the Schedule under Assistance Listing Number 14.157.

Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

Board of Directors
Catholic Charities

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Catholic Charities (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 16, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Catholic Charities' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities' internal control. Accordingly, we do not express an opinion on the effectiveness of Catholic Charities' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Catholic Charities' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and On Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors
Catholic Charities

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Catholic Charities' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Catholic Charities' major federal program for the year ended June 30, 2022. Catholic Charities' major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Catholic Charities complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Catholic Charities and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Catholic Charities compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Catholic Charities' federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Catholic Charities compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Catholic Charities' compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Catholic Charities compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Catholic Charities internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2022-001. Our opinion on the major federal program is not modified with respect to this matter.

Government Auditing Standards requires the auditor to perform limited procedures on Catholic Charities' response to the noncompliance finding identified in our audit described in the accompanying schedule of findings and questioned costs. Catholic Charities' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify a certain deficiency in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2022-001 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on Catholic Charities' response to the internal control over compliance finding identified in our audit described in the accompanying schedule of findings and questioned costs. Catholic Charities' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

2022-001 – Special Tests and Provisions – Residual Receipts Deposit

Federal program information:

Funding agency:	U.S. Department of Housing and Urban Development
Titles:	Supportive Housing for the Elderly (Section 202)
Assistance listing number:	14.157
Award year:	7/1/2021 – 6/30/2022

Criteria: According to the Regulatory Agreement with HUD, within 60 days after the end of each fiscal year, any residual receipts realized from the operation of the mortgaged property shall be deposited in a separate residual receipts account. Residual receipts shall be under the control of HUD and shall be disbursed only at the discretion of HUD for such purpose as it may determine to be necessary or appropriate.

Condition: Hibernian House did not deposit the residual receipts from fiscal year 2022 until September 9, 2022 (71 days after year-end).

Context: N/A

Questioned Costs: None

Cause: Management of Hibernian House overlooked the 60-day deadline from the Regulatory Agreement. Once notified of the deadline, management immediately calculated the residual receipts and made the deposit into the separate residual receipts account.

Effect: Hibernian House is not in compliance with the 60-day deadline to deposit residual receipts into the separate residual receipts account from the Regulatory Agreement.

Auditor's Recommendation: Management should create a reminder to calculate the residual receipts for each fiscal year and deposit this amount within 60 days after year-end.

Management's Response: We concur with the finding that the deposit to the residual receipts account was not made within 60 days of the fiscal year end. Management of Monarch Properties, the management agency for Hibernian House, have modified procedures so that electronic reminders will alert members of the accounting team to ensure that the surplus cash computation is completed and necessary transfers to residual receipts are made timely. Additionally, Catholic Charities will remind Monarch Properties of this requirement within 10 days after each year end to ensure the deposit to the residual receipts account is made within 60 days of the fiscal year end.
