About Saint Nicholas

The Saint Nicholas Ball is the signature fundraising event of Catholic Charities.

In its 20th year, it originated as the Festival of Trees and has evolved into a gala celebration known as the Saint Nicholas Ball. As we celebrate the spirit of Saint Nicholas, a historical figure born of wealth who became known for his generosity and kindness toward children and those facing life's greatest struggles, we also celebrate the compassion and generosity of our own community in helping us as we care for others.

"The purpose of life is not simply to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well."
— Ralph Waldo Emerson
