Board of Directors Catholic Charities

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Catholic Charities and its subsidiaries Hibernian House and CC Housing, Inc. (collectively "Catholic Charities", a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Catholic Charities' preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4811 Hardware Dr. NE, Suite E-4, Albuquerque, NM 87109

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements on pages 31-33 are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is also presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 30, 2020, on our consideration of Catholic Charities' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities' internal control over financial reporting and compliance.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

1) Organization and Nature of Activities

Catholic Charities was incorporated in 1946, and is a faith-based non-profit tax-exempt organization. Catholic Charities is a member of Catholic Charities, USA, the largest nonprofit human services network in the United States. Catholic Charities provides help and creates hope by promoting self-sufficiency, strengthening families, fighting poverty, and building community.

During fiscal year 2002, Catholic Charities assumed control of Hibernian House of New Mexico, Inc. (Hibernian House). The project is operated under Section 202 of the National Housing Act and regulated by the U.S. Department of Housing and Urban Development (HUD) with respect to rental charges and operating methods.

During fiscal year 2016, Catholic Charities formed CC Housing, Inc. (CC Housing) to provide affordable housing, housing counseling, economic development, and opportunities for youth, families and the elderly.

The consolidated financial statements include the accounts of Catholic Charities, Hibernian House and CC Housing, collectively referred to as "Catholic Charities." Intercompany accounts and transactions are eliminated in consolidation.

Catholic Charities operates the following social service programs:

2) Summary of Significant Accounting Policies

Basis of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying consolidated financial statements are presented in accordance with the accounting and reporting standards required by Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) ASC 958, *Not for Profit Entities*. FASB ASC 958 requires Catholic Charities to report information regarding its financial position and activities according to the following classes of net assets:

♦ Net assets without donor restrictions represent the portion of Catholic Charities' net assets that are not restricted by donor-imposed stipulations and are available for operations at management's discretion. All contributions made to Catholic Charities are considered to be received without donor restrictions unless specifically restricted by the donor.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

2) Summary of Significant Accounting Policies – continued

Net assets with donor restrictions represents resources restricted by donors as to purpose or by the passage of time and resources whose use by Catholic Charities is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of Catholic Charities. See Note 15 for more information on Catholic Charities' net assets with donor restrictions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the consolidated statements of cash flows, Catholic Charities considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Catholic Charities maintains its cash depository accounts with various financial institutions. Balances in the accounts may, at times, exceed Federal or other insurance limits. Catholic Charities has not experienced, and believes it is not exposed to, significant credit risk from these deposits.

Accounts Receivable

Accounts receivable are recorded at net realizable value and are evaluated for collectability by using historical experience applied to an aging of the accounts. Generally, collateral is not required on receivables. Contractual terms determine when receivables become delinquent. Catholic Charities utilizes the allowance method to provide a valuation for estimated uncollectible accounts receivable.

Property and Equipment

All acquisitions of property and equipment and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets in excess of \$1,000 are capitalized. Property and equipment are carried at cost or, if donated, at the estimated fair value at the date of donation. Depreciation is computed using the straightline method over useful lives ranging from three to thirty-nine years.

<u>Impairment of Long-Lived Assets</u>

Catholic Charities reviews its long-lived assets and certain identifiable intangibles for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

2) Summary of Significant Accounting Policies – continued

Accrued Paid Time Off

Qualified employees are entitled to accumulate paid time off (PTO) according to a graduated leave schedule depending on length of service and the employee's hire date. The maximum amount of PTO hours that employees may carry over to subsequent years is equal to the amount of PTO hours that the employee will earn during the employment year. Upon termination, up to 50% of each employees' annual accrued balance or 50% of their accrued PTO hours at the time of termination, whichever is less, will be paid.

Revenue Recognition

Revenues from program fees are recognized when Catholic Charities' performance obligation is met. The performance obligation consists of providing services for the senior support, homeless, and immigration programs and these services are recorded at standard rates, less a sliding fee scale adjustment based on the clients' ability to pay.

Contribution revenue is recognized when cash, securities or other assets or an unconditional promise to give is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions upon which they depend have been met. Contributions received are recorded as net assets with or without donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (i.e., when the time or purpose of the restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as "net assets released from restrictions."

Catholic Charities reports gifts of land, buildings, and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire assets are reported as support with donor restrictions. For the years ended June 30, 2020 and 2019, Catholic Charities reported donations of land and buildings of \$2,027,634 and \$0, respectively.

Revenue from contracts and grants is recognized when funds are spent in accordance with contractual provisions. Contracts and grants receivable represent amounts due for expenditures incurred prior to year-end, but not yet reimbursed.

Donated Services and Materials

Significant contributions of services are recorded if the services create or enhance non-financial assets or require specialized skills. Recognized contributed services are recorded at the fair value of the services on the date of donation. Significant donations of materials are recorded at their fair value on the date of donation.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

2) Summary of Significant Accounting Policies – continued

For the years ended June 30, 2020 and 2019, Catholic Charities reported in-kind donated services, supplies, and materials of \$160,557 and \$263,502, respectively, that met the revenue recognition criteria above.

Promises to Give

Promises to give are valued and initially recorded based on the estimated future cash flows based on historical experience. Promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount on those amounts are computed using risk-free interest rates ranging from 0.11% to 2.48%, as adjusted, where applicable for the assessed credit risk of the donation, applicable to the years in which the promises are received. Any subsequent adjustments to the valuation of promises to give are done through a provision for doubtful accounts.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and in the consolidated statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include depreciation and amortization, which are allocated on the basis of the actual usage of equipment and the square footage of buildings. All other expenses are allocated directly to functions at the time expenses are incurred through the use of cost centers.

Income Taxes

Catholic Charities, CC Housing, Inc., and Hibernian House are non-profit corporations that are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. As such, their normal activities do not result in any income tax liability. Catholic Charities, CC Housing, and Hibernian House are each classified as other than a private foundation and file separate entity tax returns.

Catholic Charities applies the provisions of FASB ASC 740, *Income Taxes*. FASB ASC 740 provides detailed guidance for the financial statement recognition, measurement, and disclosure of uncertain tax positions in an entity's financial statements. Uncertain income tax positions must meet a more-likely-than-not recognition threshold to be recognized. Catholic Charities' policy is to classify income tax penalties and interest according to their natural classification rather than as income tax expense.

As of June 30, 2020 and 2019, management does not believe Catholic Charities has any uncertain tax positions that would require financial statement recognition, measurement, or disclosure under FASB ASC 740. Due to statutes of limitation, Catholic Charities, Hibernian House, and CC Housing's tax returns are no longer subject to examinations by tax authorities for fiscal years before 2017.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

2) Summary of Significant Accounting Policies – continued

Adoption of FASB Accounting Standards Updates

In June 2018, the FASB issued ASU No. 2018-08, Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made, which provides enhanced guidance to assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) or as exchange (reciprocal transactions) and (2) determining whether a contribution is conditional. The accounting guidance delayed revenue recognition for certain grants and contributions that no longer meet the definition of unconditional. Catholic Charities adopted the ASU effective July 1, 2019 on a modified prospective basis. The adoption of the ASU had no effect on net assets or the change in net assets.

In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers (Topic 606), which supersedes the current revenue recognition requirements in Topic 605, Revenue Recognition. The ASU is based on the principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. Catholic Charities adopted the ASU effective July 1, 2019 on a retrospective basis with the cumulative effect of initially applying the guidance recognized at June 30, 2020. Catholic Charities determined there was no significant change in the timing of revenue recognition or the change in net assets as a result of implementing this ASU.

Subsequent Events

Generally accepted accounting principles state that the financial statements should include the effects of all subsequent events that provide additional information about conditions in existence as of the balance sheet date. The COVID-19 virus was declared a global pandemic in March 2020, and it continues to spread rapidly. Business continuity, including consumer demand and supply chains across a broad range of industries could be severely impacted for months or even years. This outbreak is disrupting a wide range of sectors within Catholic Charities service area, and the overall consequences on a national, regional and local level are unknown. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration. The extent of the impact of COVID-19 on operational and financial performance of Catholic Charities is not presently determinable and cannot be reasonably estimated at this time.

Catholic Charities has evaluated subsequent events for possible adjustment or disclosure through December 30, 2020, the date the consolidated financial statements were available to be issued. Management is carefully monitoring the situation and evaluating its options during this time. No adjustments have been made to these financial statements as a result of this uncertainty.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

3) Liquidity and Availability

The following table reflects Catholic Charities' financial assets as of June 30, 2020 and 2019, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of contractual or donor-imposed restrictions. Amounts not available to meet general expenditures within one year include unconditional promises to give expected to be collected between one and five years after the statement of financial position date.

	2020		 2019

Cash and cash equivalents	\$	586,329	\$ 189,411

To help manage unanticipated liquidity needs, Catholic Charities has access to a \$750,000 line of credit with a local bank. At June 30, 2020 and 2019, Catholic Charities had \$750,000 in available credit on the line. More information on the line of credit is available in Note 8.

4) Replacement Reserves

Under the Regulatory Agreement with the U.S. Department of Housing and Urban Development (HUD), the Hibernian House is required to set aside amounts for the replacement of property and other project expenditures approved by HUD. HUD restricted reserves of \$181,042 and \$162,512 at June 30, 2020 and 2019, respectively, are held in separate accounts and generally are not available for operating purposes. Use of the replacement reserve account is contingent upon HUD's prior written approval. There were no withdrawals from the reserve for related expenditures for the fiscal years ending June 30, 2020 and 2019.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

5) Agency Trust Deposits

Catholic Charities utilizes the 501(c) Agencies Trust Unemployment program to help pay state unemployment claims. Under the program, Catholic Charities established a trust that is based on Catholic Charities' unemployment claims experience and gross annual payroll. The Agencies Trust Unemployment program then reimburses the state from the trust for the claim benefits paid to former employees. The amount on deposit to pay for future unemployment claims as of June 30, 2020 and 2019 is \$37,304 and \$28,794, respectively.

6) Unconditional Promises to Give

Unconditional promises to give are as follows at June 30:

7) Notes Receivable

Generations at West Mesa

During fiscal year 2016, the City of Albuquerque (the "City") and Catholic Charities entered into a development agreement for the Generation at West Mesa affordable housing development. During fiscal year 2019, the City and Catholic Charities entered into a supplemental agreement whereby the City entered into a mortgage and security agreement with Catholic Charities at a total amount of \$2,405,000, representing Workforce Housing Trust Funds (WHTF) of \$2 million and land valued at \$405,000. An additional \$400,000 in WHTF were provided by the City in fiscal year 2020 in accordance with the third supplemental agreement.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

7) Notes Receivable – continued

During fiscal year 2019, the WHTF and the land totaling \$2,405,000 were passed through to the contracted developer for the Generations at West Mesa project. The developer recorded a subordinate loan to Catholic Charities representing the value of these funds received by the developer, which is reported as a note receivable by Catholic Charities. The \$400,000 in WHTF received by Catholic Charities during fiscal year 2020 have not been passed through to the contracted developer as of June 30, 2020, and are recorded as a portion of restricted cash in the consolidated statements of financial position.

This note receivable will become due and payable upon either (1) dissolution or liquidation of the developer, or (2) default in any warranty, obligation, or other term, condition of the development agreement. Therefore, this note receivable is reported as a long-term asset in the consolidated statements of net position.

See additional information regarding the mortgage loan with the City at Note 12.

Sunray Lobo Canyon

During fiscal year 2020, CC Housing entered into an agreement with a developer for the Sunray Lobo Canyon affordable housing development. As part of this project, New Mexico Mortgage Finance Authority (NM MFA) approved an award of National Housing Trust Fund (NHTF) monies, which is received from HUD through its NHTF program, of \$400,000 to CC Housing to be used for the rehabilitation of two adjacent USDA rural development projects. These funds were passed through to the contracted developer of this rehabilitation project after issuance of a promissory note. CC Housing reports this promissory note as a note receivable as of June 30, 2020.

The loan principal balance and all accrued and unpaid interest shall be forgiven at the maturity date, which is defined as the date of the final NHTF program completion report, provided that no event of default by the developer has occurred. Therefore, this note receivable is reported as a long-term asset in the consolidated statements of net position.

See additional information regarding the NHTF loan with NM MFA at Note 12.

8) Line of Credit

Catholic Charities has a \$750,000 line of credit agreement with a local financial institution that renews in March 2021. The line carries interest at the bank's prime lending rate (5% plus 0.5% at June 30, 2020 and 2019) and is secured by deposit accounts, inventory, accounts receivable, and equipment. At June 30, 2020 and 2019, Catholic Charities had \$0 in outstanding borrowings on the line.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

9) Property and Equipment, Net

10) Refundable Advance – Paycheck Protection Program (PPP) Loan

Catholic Charities was granted a \$585,680 loan under the PPP administered by a Small Business Administration (SBA) approved partner. The loan is uncollateralized and is fully guaranteed by the Federal government. Catholic Charities is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. Catholic Charities believes it has "substantially met" the forgiveness criteria as specified by the SBA as of June 30, 2020. Catholic Charities initially recorded the loan as a refundable advance and has recorded the forgiveness of the loan as PPP grant revenue as qualifying expenses have been incurred. For the year ended June 30, 2020, Catholic Charities has reported PPP grant revenue of \$393,084, which is equal to the qualifying expenses on the PPP loan proceeds as of June 30, 2020. The remaining balance of \$192,596 is reported as a refundable advance in the consolidated statements of financial position. Catholic Charities will be required to repay any remaining balance, plus interest accrued at 1%, in monthly payments commencing upon notification of forgiveness or partial forgiveness.

11) Capital Advance

Hibernian House received a capital advance from the U.S. Department of Housing and Urban Development in fiscal year 2003 for the construction of a building for housing to low-income elderly persons. The advance bears no interest and need not be repaid so long as Hibernian House continues to make the housing available for the elderly for at least 40 years from the date of the capital advance (fiscal year 2043).

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

11) Capital Advance – continued

The advance is classified in the consolidated financial statements as a noncurrent liability. The advance program requires Hibernian House to escrow an amount equal to 0.5% of the capital advance, which is reported in the consolidated financial statements as a noncurrent asset.

Industrial Revenue Bonds

On January 26, 2016, Bernalillo County, New Mexico, issued its Industrial Revenue Bonds, Series 2016 totaling \$3,000,000. A bank purchased the bond and issued a loan in the amount of \$2,500,000 for a capital project for which Catholic Charities is the obligor. The loan was issued under a capital lease agreement structure, payable to the bank as trustee. Principal and interest is due in monthly installments at an initial interest at 3.47%, maturing March 2041, net of unamortized issuance costs of \$58,579 and \$61,245 at June 30, 2020 and 2019, respectively. Unamortized issuance costs are amortized to interest expense over the life of the loan. The effective interest rate does not differ significantly from the stated interest rate. The note is secured by the Casa de Corazon building.

The bond indenture places limits on the incurrence of additional borrowings and also requires that Catholic Charities satisfy certain measures of financial performance including debt service coverage, and hold certain insurance coverage as long as the bonds are outstanding. As of June 30, 2020 and 2019, Catholic Charities was in compliance with all required covenants.

During fiscal year 2020, CC Housing issued a loan with NM MFA under the National Housing Trust Fund program, a program administered by HUD, totaling \$400,000 for the purpose of rehabilitating two adjacent USDA rural development projects. These funds were subsequently passed through to the developer of this rehabilitation project. Should the project remain in compliance with the NHTF loan agreement for a period of 35 years after completion of the final NHTF program compliance report, the loan will be forgiven. Therefore, there are no established payment terms on this note.

Capital Lease Obligation

Catholic Charities leases office equipment under capital leases expiring in fiscal year 2020. The assets and liabilities under capital leases are recorded at the present value of the minimum lease payments. At June 30, 2020 and 2019, Catholic Charities had \$0 and \$6,806, respectively, in outstanding borrowings on the capital leases.

At this time, no reasonable estimate can be made as to adjustments, if any, in amounts due to or from grantors that may result from the closing process. Actual costs reported in the accompanying consolidated statements of activities, and for prior years since inception of ongoing grants, exceeded billed costs, and management believes no material reimbursements to granting agencies are due.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

16) Commitments and Contingencies – continued

Catholic Charities receives a significant amount of its funding from federal grants from various agencies. Should Catholic Charities lose program funding, management believes that Catholic Charities would be able to receive similar program funding from other sources.

Catholic Charities administers a participant directed non-contributory, defined contribution pension plan (401k plan) for its qualified employees. Catholic Charities contributes 5% of covered compensation to the plan. Employees qualify upon attaining the age of 21 and completing one plan year of employment of at least 1,000 hours. The Board of Directors and certain employees contribute various amounts in general support of Catholic Charities. A certain board member is also an officer of a bank with which Catholic Charities maintains its cash balances. Board of Directors' outstanding promises to give at June 30, 2020 and 2019, are \$35,550 and \$41,823, respectively.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

20) Community Foundation Endowment Funds

Catholic Charities is the beneficiary of an endowment fund known as the Wilhelmina Neat Coe/Peace Foundation Fund held by the Albuquerque Community Foundation (ACF). ACF makes annual distributions of the investment income earned from the endowment to Catholic Charities which are restricted for home care programs for the disabled and elderly. The balance of the endowment fund held by ACF for the benefit of Catholic Charities totaled \$120,221 and \$120,730 as of June 30, 2020 and 2019, respectively. The donor of these funds granted the governing board of ACF "variance power." This variance power allows ACF to modify the donor's stipulations under certain circumstances in order to meet the changing needs of the Albuquerque community.

Catholic Charities is also the beneficiary of an endowment fund known as the Olympia Garcia de Duran/Catholic Social Services Fund held by the Santa Fe Community Foundation (SFCF). The balance of the endowment fund held by SFCF for the benefit of Catholic Charities programs in Santa Fe totaled \$219,783 and \$223,847 as of June 30, 2020 and 2019, respectively.

Catholic Charities is also the beneficiary of an endowment fund known as the Catholic Charities Fund held by the Catholic Foundation of the Archdiocese of Santa Fe. Catholic Charities is also a beneficiary of an endowment fund known as the Hibernian House Priest Home Fund held by the Catholic Foundation of the Archdiocese of Santa Fe. None of the above endowment funds are reflected as assets on the consolidated financial statements of Catholic Charities given the variance power granted to each respective foundation.

21) Recently Issued Accounting Pronouncements

On February 25, 2016, the FASB issued ASU 2016-02 *Leases*, which significantly changes the accounting for leases in the financial statements of lessees and supersedes FASB ASC Topic 840. With this update, U.S. GAAP now will require lessees under operating leases to recognize a liability in the statement of financial position, a liability to make lease payments (the lease liability), and an asset representing its right to use the underlying asset for the lease term.

Notes to the Consolidated Financial Statements June 30, 2020 and 2019

21) Recently Issued Accounting Pronouncements – continued

For leases with a term of 12 months or less, a lessee is permitted to make an accounting election not to recognize lease assets and lease liabilities. If a lessee makes this election, it should recognize lease expense for such leases generally on a straight-line basis over the lease term. Cash flows related to operating leases will continue to be reported within operating activities on the statement of cash flows. The ASU is effective for fiscal years beginning after December 15, 2020 (Catholic Charities' fiscal year ending June 30, 2022).

As of the date of these financial statements, management has not determined the impact this new accounting pronouncement will have on future reporting periods.

Notes to the Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2020

1) Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Catholic Charities and its subsidiaries Hibernian House and CC Housing, Inc. (collectively "Catholic Charities") under programs of the federal government for the year ended June 30, 2020. Because the Schedule presents only a selected portion of the operations of Catholic Charities, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Catholic Charities.

2) Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

3) Indirect Cost Rate

Catholic Charities has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

4) Loan Information

Hibernian House received a capital advance from the U.S. Department of Housing and Urban Development (HUD) for the construction of a building for housing to low-income elderly persons. Hibernian House is not required to repay the principal or pay interest and the capital advance is forgiven at maturity, as long as the owner provides housing for the designated class of people in accordance with applicable HUD requirements. In accordance with the Uniform Guidance, the full outstanding balance on the capital advance is considered to be federal awards expended and is reported on the Schedule under CFDA number 14.157.

CC Housing, Inc. received a loan under the National Housing Trust Fund (NHTF) program from HUD for the construction of a building for the rehabilitation of two adjacent USDA rural development projects. Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Board of Directors Catholic Charities

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the consolidated financial statements of Catholic Charities, which comprise the consolidated statement of financial position as of June 30, 2020, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 30, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Catholic Charities' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities' internal control. Accordingly, we do not express an opinion on the effectiveness of Catholic Charities' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Catholic Charities' consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Catholic Charities' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and On Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors Catholic Charities

Report on Compliance for Each Major Federal Program

We have audited Catholic Charities' compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on Catholic Charities' major federal program for the year ended June 30, 2020. Catholic Charities' major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Catholic Charities' major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Catholic Charities' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Catholic Charities' compliance.

Opinion on Each Major Federal Program

In our opinion, Catholic Charities complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of Catholic Charities is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Catholic Charities' internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Catholic Charities' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
